

## VISION

**By 2022, BPI is a competent and well-respected agency supportive of a competitive plant industry.**

**NPQSD is a professional and highly-recognized regulatory service on plant quarantine ensuring efficient border control and safe agricultural trade.**

### NPQSD Strategy Map 2017-2022

#### MISSION

**We protect the Philippine agriculture from introduction, establishment and spread of pests, and facilitate safe trade of plants, planting materials and plant products.**

#### CORE VALUES *SPICE IT!*

**Service-oriented.** We are proactive and we value our clients.

**Professionalism.** We are competent and we abide with the government's Code of Ethics. We are fair and just in the delivery of our service to our clients and personnel.

**Integrity.** We are transparent, honest and accountable for our actions.

**Commitment.** We work with passion and dedication.

**Excellence.** We produce the best results.

**Innovative.** We find new solutions.

**Teamwork.** We exercise partnership and camaraderie.
